

When the Stars Come Out, 2007, 331 pages, Rob Byrnes, 0758213255, 9780758213259, Kensington Publishing Corporation, 2007

Noah Abraham is back in New York tending to his ailing father while dealing with his writer's block on a book about gay congressional staffers. What he needs is a break, and he gets it when he meets Bart Gustafson, the personal assistant to former film and television star Quinn Scott. The macho stud has been living in exile for years since running away with one of his ex-wife's backup dancers... a male backup dancer. And just like that, Noah's writing block is cured. Getting a sizzling, tell-all book out of Quinn won't be boring - or easy. The 72-year-old is profane, hard-drinking, and hard of hearing, but he's got plenty of dish on Hollywood, especially its very deep closets. The only topics that are off-limits for Quinn are his son, heartthrob actor Quinn, Jr., and his marriage to 1960s wholesome screen queen, Kitty Randolph. The girl once known for her "sweetness" has spent the last forty years morphing from girl-next-door to scary Hollywood mogul. She owns that town, and she's not about to let her ex-husband spill secrets.
