Papaji Amazing Grace is a book of fifteen profoundly beautiful interviews with people who had an Awakening with Papaji. They are stories of a housewife, a businessman, even an officer of a nuclear powered aircraft carrier. Each person, whatever their background, had the common longing to discover the eternal Truth of who they are. When this longing is strong enough a Master appears. These powerful interviews were conducted by Premananda with seekers for Truth who sought out Papaji in the period from 1990 to 1997, when his old age finally allowed a community to grow up around him in Lucknow, North India.
